**ORDER:**

The Commissioner of Technical Education, A.P., Hyderabad in his proposal in the reference read above stated that the Government of Andhra Pradesh is committed to the cause of education and has been playing a proactive role in providing high quality learning experience and opportunities to students. In tune with the Government's Student centered initiatives, the Department of Technical Education endeavors to provide its students comprehensive, unbiased and effective training in job oriented skills in addition to academic qualifications. Severe skill crunch is repeatedly affecting the chances of students in the global job arena and hence it is proposed to introduce Skill Development Centers (SDCs) in all 23 Districts of Andhra Pradesh, duly selecting atleast one Government Polytechnic/ Aided Polytechnics in each district, to enable students maximize their potential and gain an edge in the competitive job market. SDC with innovative training strategies and cost effective technological advancements will be a dynamic learning platform that will significantly benefit students.

2. The Commissioner of Technical Education, A.P.Hyderabad also stated that SDC is different from other training providers in its objectives and mode of functioning. While other training providers cater to different disciplines and adopt a general skill frame work, SDC on the other hand will restrict itself strictly to technical discipline that is to students pursuing professional courses in Polytechnic and Engineering colleges. A training curriculum has been chalked out keeping in mind technical students' immediate job needs and related skill set and the training programme will have the due support of live projects.

3. Skill Development Centre will offer a stimulating environment with greater importance on developing the ability of students to think logically and decisively and a sound grounding in work ethics which will be an added advantage and will empower these students. Such skills are in demand from employers and therefore the need for SDC.

4. The Commissioner of Technical Education has therefore proposed to set up at least one Skill Development centers (SDCs) in all the 23 districts of Andhra Pradesh duly selecting one Government/Aided Polytechnic in each district keeping in view of the of available infrastructure and teaching faculty. The equipment / facilities are required to establish a SDC at each center. The approximate estimate for establishing each SDC is Rs. 26.40 lakhs for each college and the total estimate to establish 25 SDCs work out to be Rs. 660.00 Lakhs. He also requested to permit to establish SDCs by utilizing the following resources available with the Department

**Contd..2/p**

:: 2 ::

- |   |                  |
|---|------------------|
| 1. Special fees accumulated funds/IRG available with<br>In (25) Polytechnics  | Rs. 230.00 lakhs |
| 2. Funds available under Rajiv UdyogaSri Society :<br>Towards procurement of IT hardware and<br>Software and other sources in SBTET Account | Rs. 340.00 lakhs |
| 3. Out of Balance amount of<br>Common Engineering Entrance<br>(like EAMCET,ECET,ICET) with APSCHE   | Rs. 200.00 lakhs |

Therefore, the Commissioner of Technical Education has requested the Government to examine the above proposal and to accord administrative sanction for Rs. 660.00 Lakhs for establishing 25 Skill Development Centers in 23 districts of Andhra Pradesh.

5. Government after careful examination of the proposal of the Commissioner of Technical Education, hereby accord administrative sanction for Rs. 660.00 Lakhs for establishment of 25 Skill Development Centers in 23 Districts of Andhra Pradesh as appended to the annexure-I to this order during the academic year 2011-12, subject to meeting the expenditure from the internal resources available with the department as indicated in para (4) above, and there shall not be any financial commitment from the Government for the scheme at present.

6. The list of hardware & software to be processed per centre is shown in Annexure-II of this order.

7. This order issues with the concurrence of Finance (Expr.HE) Department vide their U.O.No.3149/82/Exp.HE/11, Dated: 15-03-2011.

8. The Commissioner of Technical Education, A.P., Hyderabad shall take necessary action in the matter.

(BY ORDER AND IN THE NAME OF THE GOVERNOR OF ANDHRA PRADESH)
